

So Close to Home

Matthew Naqvi

The businessman drives slow
down the main road.

Women of all ages, shapes and sizes
line up against the wall.

He spots a buxom blonde
calls her over to the car.

She jumps into the car
and they drive to the park.

She unzips his jeans
and fondles his penis.

She sucks on it
deeper and deeper each time.

He pulls her head closer
till her nose presses against his pubes.

Laughter bursts from his mouth
as semen fills hers.

He pulls up his jeans,
hands over a twenty.

He heads back home
to his wife and kids.
