MALTHOUSE THEATRE

Malthouse Theatre

Malthouse Theatre is dedicated to the development, production, and promotion of contemporary Australian theatre. Our broadly defined program is conceived and created in collaboration with writers, directors, designers, choreographers, audio/visual artists and performers—a contemporary theatre where the combined possibilities of all the theatre arts are offered centre stage.

Malthouse Theatre actively pursues, and identifies, the best of Australia’s emerging and established artists to create unique opportunities for risk, ideas and exploration.
