

Haiku Collection

A. Zaganidis

A kiss in a dream
can feel so real, your heartbeat
wakes you up like drums.

- *Morning*

I fell into the
depths and was swallowed by a
strange neon comfort.

- *Life Online*

Here we are again
muttering about how we
never get things done.

- *Motive*

How I wish I could
trade places with you, so you
never felt such pain.

- *Familiar Feeling*

So I sit again,
sun shining through my window
into sleepless eyes.

- *Another Lost Night*

Is it soothing to
hear the echoes of your thoughts
in the dead of night?

- *Echoes*
